Successful Annual Earth Day Clean-up

The Friends of the Milford Upper Charles Trail held the 2011 annual Earth Day clean up on April 30th. Approximately 30 volunteers, armed with work gloves, brooms, garbage bags, and leaf blowers covered more than 6.5 miles of the trail including some of the Phase 2 sections still under development. The clean up unearthed discarded tires, construction materials, water bottles, coffee cups, and other assorted litter. While most dog owners appear to be responsibly picking up after their pets, we're still striving for 100% compliance.

The success of the Friends efforts in maintaining and enhancing the entire Trail depends entirely on volunteers dedicated to the long term preservation of this tremendous community resource.

Thank you to the many volunteers representing both trail adopter organizations (***Current Adoptees:*** *Alternatives Unlimited, Midtown Family Fitness Center, Montgomery Lodge Masons AF & AM, Milford Italian American Veterans, Hockamock Area YMCA & Wegman's*) as well as dedicated trail friends: Sheldon Moniz, Laura Scirocco, Ed Hollister, Eric Ruscitti, Vinnie Squiciari, Kerrin and Jim O'Connor, Linda Morley, Kris Tranerup, Angelo Mazzuchelli, Truman Hix, Mike Paddock, Morgan Doherty, Sarah Corsini, Dave Cassinelli, Terenzo Volpicelli, Mitch Moniz, Jim Cockroft, Edward Eck, Dick Flooks, Brian Kelly, Henry Bertulli, Jacob Bogna and Pat Rosenthal. Also, thanks go to the Milford Parks Department who remove the trash and other debris that our volunteers collect for proper disposal.
