
Friends of the Milford Upper Charles Trail

We are a 501 (c)(3) non-profit volunteer organization.

Annual Trail Earth Day Clean Up – April 24, 2010

Trail maintenance was the major order of business at this year's Trail clean up for the more than 30 volunteers that participated. Armed with shovels, edgers, leaf blowers representing many of the Trail's Adopter organizations, the multi-purpose 2.8 mile long Phase 1 portion was cleared of winter debris and trash. Approximately 1 mile (both sides) of the trail beginning near Fino Field and continuing to Dilla St crossing was edged by volunteers using an edger machine donated for use by Ace Hardware of Milford and hand held edgers & shovels to cut & push back the growth of grass from narrowing the paved pathway. Flowers and mulch was added to the Sacred Heart trailhead area surrounding the new information kiosk - the latest Eagle Scout project along the trail.

The Friends of the Milford Upper Charles Trail extends their great appreciation and thanks to the following individuals who donated their time and muscle power to this maintenance effort.

Adopter organizations represented included Montgomery Lodge of Masons, Alternatives Unlimited, Midtown Fitness Center, Italian American Vets, & Hockamock Area YMCA.
